

Date: June 1, 2017

## To whom it may concern

*This is to certify that Mr. Wanjari Vikrant Changdev & Mr. Khotare Hiranman Kashinath as students of P.E.S. College of Engineering, have successfully completed their project from 23rd October 2016 to 31st May 2017 having the titled "Reducing Of Bad Flute And Damage Rejection Value In Drill" in our organization, with reference to the partial fulfillment of the requirements of their B.E. (Mechanical Engineering) Degree course of Dr. B.A.M. University, Aurangabad.*

*All necessary details were provided to them from our side for the preparation of this project.*

*During their tenure, we found both students hard working, conscientious & responsible. The feed back of their participation have always been positive and we wish them all the best in the future.*
